postgreSQL & Express

---

### EDUCATION

#### Techtonica

2022-present

Techtonica is six months of full-time, hands-on, project-based, collaborative software engineering learning with a focus on full-stack JavaScript. The last month is spent preparing to join Techtonica's partner companies for employment.

#### University of Minnesota

2020-2022

Coursework in: Political Philosophy, Programming for Biomedical Engineers, Cellular and Molecular Biology, two Biomedical Engineering seminars, Multivariable Calculus, General Chemistry II, Computer Science (Introduction to Python).

#### Robbinsdale Armstrong High School

2018-2022

Elected Student Body President: Assisted school administration and superintendent, ran on the platform to increase voice of student minorities. Environmental Club Co-President: lead recycling program in school and trash cleanups, weekly meetings. 2x Captain of Nordic Ski Team.

---

### WORK EXPERIENCE

#### Golf Caddy- Golden Valley Country Club

March 2016 - September 2021

- Earned the rank of "Honor Caddie" through dedication and improvement over the course of two years (normally takes four).
- Over the course of career has caddied over 800 hours.
- Increased average/hr wage from \$14.25/hr to \$35/hr + over the course of career.

#### Drone Pilot- Independant in Minneapolis

March, 2021 - March, 2022

- Independently contracted drone flying positions.
- I've flown multiple drones and captured wedding footage as well as footage for high school.
- I've flown my drone at Junior Nationals for cross country skiing and captured footage of the opening ceremonies.
